CONTACT REPORT NO.

SUBJECT: Meeting with CASUSTAIN/15

DATE : 17 Mar 74

TIME : 1230-1400

PLACE : CASUSTAIN/15 residence

MEETING ARRANGEMENTS

1. This meeting was prearranged at the last meeting. The next meeting is set for Tuesday, March 26, at 1230, at CASUSTAIN's residence. On Monday, March 11, there will be a short meeting at her house to show her how to use a Polaroid camera.

PRODUCTION

2. CASUSTAIN/15 passed me translations of two articles from Pravda concerning Soviet Policy in South Asia.

OPERATIONAL

3. CAS/15 provided one typewritten report on the class held by AENOG on 27 February, which contained the following items of interest:

a. AENOG showed surprise at the recent criticism of Brandt by Guenter Grass, saying that Grass's group (Gruppe 47) had always been favorable to the Sov Union.

b. The lesson was interrupted by preparations for a visit of the CVJM building by Foreign Minister Scheel, who was campaigning in Hamburg. (Note: Significance of this is that Weber, the CVJM leader, whom CAZAMIA is interested in, is persona grata with Scheel.)

c. AENOG is taking a holiday in the Soviet Union and will return with family. (Note: This means that our two new access agents will not be able to start class until 9 April.) He had given no previous notice of this to the class. CAS/15 asked him to bring back some pictures this time. AENOG said that he couldn't stand Moscow, loved Siberia, the countryside, etc. Then CAS/15 asked him directly whether he was born there. AENOG paused and looked at her then said, "Yes." (Note: It is interesting that AENOG is so sensitive on this point, however CAS/15 should have worked it somewhat more smoothly, by asking if he came as a Komsomol pioneer.)

4. CAS/15 has been invited to a lecture by a US professor, who has been a lecturer at the National War College, Jerzy Hauptmann, on "Probleme der amerikanischen
